AOP Coteaux d'Aix-en-Provence

“Powerful & Spicy”

GRAPES

50% Syrah, 50% Cabernet-Sauvignon.

The spicy roundness of our old Syrah vines combined with the power of our Cabernets are the basis of a harmonious wine, full of sunshine and without excess.

TERROIR

Our grapes ripen on our most demanding soils on hillsides, which gives them the depth and minerality necessary to claim the Coteaux d'Aix-en-Provence AOP appellation.

WINEMAKING

Destemming, crushing, and alcoholic fermentation at 26°C. Maceration of at least 21 days to promote the expression of our grape varieties.

TASTING

The deep garnet color of 1884 opens with powerful aromas of red fruits, spices and scrubland. On the palate, our wine is controlled by silky tannins and a fruity and liquorice finish.

SERVING

This gourmet vintage will be enjoyed with grilled duck breast, beef stew or veal sauté with olives.

Serve between 16°C and 18°C..
